USE OF
RCRA INTERIM STATUS CLOSURE
AND POST-CLOSURE CARE PLANS
GENERAL FORM

LPC-PA18

Attached is a general form which must be included with all RCRA interim status closure plans, post-closure plans and modification requests of such plans submitted after January 1, 1993. This form contains general information related to the facility involved in RCRA closure and/or post-closure activities which will allow the Agency to process such plans more efficiently. In addition, it will also provide the facility undergoing closure with a mechanism for providing the necessary certification for such submittals.

The LPC-PA18 form should be attached to the cover letter which transmits any document associated with RCRA closure or post-closure to the Agency. If desired, it can be directly incorporated into any report which is being submitted in lieu of being attached to the cover letter. However, if it is placed in a report, it must appear directly after the Table of Contents, so that it is easily accessible to Agency personnel.

The Agency reserves the right to return any RCRA closure plan, post-closure plan, or modification request submitted after January 1, 1993 which is not accompanied by the LPC-PA18 form.

The form should be self-explanatory as it relates to the information which should be provided. However, if you have any questions regarding the use of this form, please contact anyone in the Corrective Action Unit of the Permit Section at 217/524-3300.
